

San Diego Chemists Celebrate National Chemistry Week with Science Activities for Boy Scouts

The San Diego Section of the American Chemical Society proudly presents **ChemExpo** on Saturday, Oct. 26 at Miramar College. The goal of the program is for boys to have fun exploring the world of science with college students and scientists from around San Diego County. The 2019 theme is “**Marvelous Metals.**” Throughout the badge work, we will engage kids from grades K-12 in learning about the science of metals in chemistry, geology, biology, and physics. They will each earn a special National Chemistry Week Patch (design shown) and can also do badge/activity work listed below. Upon registration, we will send the parts of the Chemistry Merit Badge that will be covered at the event, so you can do some work ahead to earn the complete badge. Chemistry Merit Badge Counselor will be on site.

Age Level: Cub Scouts, Webelos, Boy Scouts

Fee: \$9 per Cub/Webelo/Boy Scout

Date: Saturday, Oct. 26, 2019

Time: Varies for each Group

Location: Miramar College, 10440 Black Mountain Rd, San Diego, 92126

Registrar: Email ChemExpoReg@gmail.com for more information or to register.

Registration Info Needed:

- 1) Number of boys attending;
- 2) Program level;
- 3) Troop or Den number;
- 4) A leader/parent name and an email address to allow additional materials to be sent to you in advance of the event.

Checks payable to **American Chemical Society** and mailed to address provided upon registration. Please note you will want to bring a lunch or make a plan for the 30-minute lunch break for the Boy Scouts.

Deadline: To ensure sufficient materials, register by Sunday, October 20 and mail payment no later than October 23. Space is limited, so please register right away.

Sessions: **Boy Scout Chemistry Merit Badge:** 10:30am – 2pm
Webelos Adventures in Science: 10:15am – 12:45pm
Bear Cub Scout Super Science Adventure: 10:00am – Noon
