

San Diego Chemists Celebrate National Chemistry Week with Science Activities for Girl Scouts

The San Diego Section of the American Chemical Society proudly presents ChemExpo on Saturday, Oct. 26 at Miramar College. The goal of the program is for girls to have fun exploring the world of science with college students and female scientists from around San Diego County. The theme for the year is “Marvelous Metals.” But it is more than that! We will be trying out new activities to propose for a NATIONAL CHEMISTRY BADGE at each level. Girls will receive a special fun patch that goes with each set of activities in addition to the ChemExpo Fun Patch. Brownies have the option of earning the *Home Scientist* Badge or the Brownie Chemistry Fun Patch; Daisies, Juniors and Cadettes will earn the ChemExpo FUN patch and the fun patches shown below.

Age Level: Daisies through Ambassadors

Fee: \$9 per girl per session

Date: Saturday, Oct. 26, 2019

Time: Varies for each Group

Location: Miramar College, 10440 Black Mountain Rd, San Diego, 92126

Registrar: Email ChemExpoReg@gmail.com for more information or to register.

Registration Info Needed:

1) Number of girls attending; 2) Program level; 3) Troop Number. Please provide a leader or parent name and email address to allow additional materials to be sent to you in advance of the event.

Checks payable to **American Chemical Society** and mailed to address provided upon registration.

Deadline: To ensure sufficient materials, register by Sunday, October 20 and send payment no later than October 21. Space is limited, so please register right away.
